Happy New Year!

Yes, I was wondering if that was possible or if I need to create a new FOIA request?

Sincerely,

Hello and happy new year Ms. Leonard,

Apologies for my delayed response. So that I understand what next steps to follow, are you saying that you want the below-mentioned document to be part of the PBI/CBI case file determination under EPA-R2-2022-001378? This case number was created in order to track the EPA's final determination for the above FOIA number, fyi. Please advise and thanks!

Good Afternoon Ms. Calderon,

I wanted to modify the scope of this FOIA request EPA-R2-2021-004137 to include the attachment 17 to the following document that is listed on the EPA web site:

<https://www.epa.gov/system/files/documents/2021-07/lrb-phase-1-flare-plan.pdf>

I have been told that this attachment has been claimed as confidential business information so I understand that it will have to undergo a CBI substantiation prior to any release.

Please let me know if I need to do anything else in order to modify my request.

Sincerely,

Marina Leonard
